

Artificial Grass 7mm Shockpad Underlay

£35.99

Product Images

Description

Great for use on decking boards and patios.

Designed to be laid directly beneath any of our artificial grass products to produce a softer feel under foot.

On decking boards and patios it will reduce the chance of lines showing through on the surface of grass.

Can be installed loose laid, stapled, nailed or pegged to all prepared bases of concrete, wood, sand or soil.

Price: £2.50m² (£35.99/roll)
