

Stanley Fixed Blade Trimming Knife

£8.99

Product Images

Description

A fixed Blade pattern knife with three double notched blades in the handle. Is made from a diecast zinc body with non-slip grip making it very tough yet comfortable to use. The Fixed blade is very important when being used to install Artificial Grass as it can reduce accidents and damages to both the grass and the knife itself.

- Positive fixed blade retention for heavy-duty cutting
- Super-duty cast metal textured handle designed for long, tough use
- Nose overlaps at top and bottom for added strength
- Works with all Stanley® replacement utility blades.
- Supplied with 3 blades
