

Galvanised Living Wall Fixing Nails (100 pack)

£7.99

Product Images

Description

These nails are an ideal solution to fixing the backing grid of our [Green Wall Panels](#) to any wooden surface. Suggested qty 12-16 required for each 1sqm panel when used outdoors. Just use a hammer to fix directly into timber.

When used in conjunction with [Cable Ties](#) will also secure our 2m x 1m trellis panels to wooden structures.

Additional Information

Coverage	Approx 14sqm of Panels
Size	0.25kg (avg 100 per pack) 25mm
